

Product Datasheet

Product code: **E6013.CR.BG**

Product type: High Precision Pliers

Made in: Switzerland

Description: The 6013 is a high precision plier belonging to the long flat nose plier family. The long jaw length improves the ease of the hold. The smooth surface on the jaw prevents scratches while holding. The 6013 is equipped with an ESD Ergo-tek handle which allows an excellent grip, suitable to environments and to components susceptible to electrostatic discharge. The jaws are hardened to 45HRC hardness.

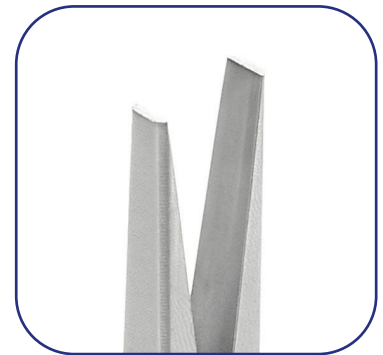

Head description: Long Flat Nose

Body material: High carbon-chromium low alloy steel (100Cr6)

Body finishing: Sandblasted

Handle material: Ergo-tek - Thermoplastic Elastomer + PP compound
