

Data sheet Single-LED.

Part No.: 10-2613.1074

Technical data

Illuminative colour	Yellow
Operating voltage	28 V AC/DC +10%
Operating voltage tolerance	+10% %
Operation current	5 - 9 mA ±15 %
Operation current tolerance	±15 % %
Weight	0.001 kg
Illumination colour	Yellow
Dom. Wavelength	580 nm
Lumi. Intensity	270 mcd

Hints

- Luminosity and wave length variations caused by LED manufacturing processes may cause slight differences regarding the illumination.
