2. General Information

Technological change, ecological action and competitive supply security require temporary product adjustments or even consolidations. Our phase-out strategy supports you with possible equipment adjustments.

Target of this strategy is:

- To drive technological change with our customers.
Customer benefits: General product improvements for successor articles
 - To establish ecological action in our processes
Customer benefits: Lower CO2 emissions by avoiding inefficiencies
 - Reduce complexity through product and function consolidation
Customer benefits: Improved delivery and supply security
 - To support possible appliance adaptations in parallel
Customer benefits: Extended supply for long-term storage
-
