

9-1/4" Industrial Inlaid® Shears

The Crescent Wiss® Industrial Bent Trimmers have thick, heavy-duty blades for cutting multiple layers or tough materials and are ideal for cutting upholstery, carpet, and drapery. The precision ground blades allow for sharper cutting edges and a longer blade life, and the hot dropped-forged nickel-plated construction is incredibly durable. Adjusts to your preferences easily with the SET-EASY® Pivot adjustment, and comfortably fits your hands with the large handle rings.

Features

- Perfect for a professional dressmaker or industrial use
- Primarily used for working with fabric and thread
- Precision ground blades for sharper cutting edges and longer blade life
