

Information Letter Number: 234501**Date:** 21st Nov 2023**Title:** Production Transfer Sensor Evaluation Kit**Product Identification:**3.000.764 / SEK-SDP8xx
3.000.325 / SEK-SFM4100
3.000.323 / SEK-SFM3000**Reason for Change:** Design Production Logistics Manufacturing Location Quality/Reliability Upgrade**Change Description:**

The assembly of Sensor Evaluation Kits is transferred from the current production site in Stäfa, CH, to the production site of the sensors in Debrecen, HU.

The address of Debrecen site is:

Sensirion Hungary Korlatolt Felelossegu Tarsasag
Nagy Mihaly Utca 3
4031 Debrecen
Hungary

Quantifiable Impact on Quality & Reliability:

- The parts and materials are not affected by the transfer, so there is no impact of reliability. The quality is guaranteed by same process plans as used until now.

Conditions and Logistics**Customers within the EU:**

Sensirion AG in Switzerland remains your contractual partner. Debrecen (HU) is a pure production site. Therefore, no deliveries to companies in Hungary are possible. Shipments to the EU (except Hungary) are possible. For legal regulations connected to VAT rules, Incoterms will change from FCA, Stäfa (CH) to DAP, your location within the EU. The logistics costs will be charged separately from the product price.

Customers outside of the EU/ Rest of World:

Sensirion AG in Switzerland remains your contractual partner. Debrecen (HU) is a pure production site. Incoterms will change from FCA, Stäfa (CH) to FCA, Debrecen (HU).

Estimated Implementation Date*: First shipments from Debrecen (HU) start from CW14 2024.

* The Estimated Implementation Date is the forecasted date that a customer may expect to receive changed product. This may be affected by fluctuations in supply and demand.
