Change Notice

EOL F38 & F98 Series

Dear Valued Customer,

Thank you very much for your great and continuous support for business with KYOCERA AVX.

This is the official notification that the production of our F38 and F98 series in our Japan facility will be discontinued by August 1st 2024.

Please note that in many cases our TC, TCS, TCT, TCSO, and TCTO series include direct equivalents to the F38/98 series, and we encourage customers to consider switching to those series currently. A complete list of those equivalents is available for your reference.

KYOCERA AVX would like to offer a last time buy from our Japan facility, for quantities up to 6 months of prior shipments as of December 1st, 2023. All new orders must be placed before April 1, 2024; all orders and backlog will be delivered before and no later than September 30, 2024.

If you have any concern regarding delivery dates, please contact your local KYOCERA AVX sales representative.

Please review this and indicate your feedback for this Notice in writing by the Feedback Due date. Your understanding and support are highly appreciated.

1. Reasons/Background:

Stop of production of F38 and F98 in our Japan Facility.
