

LED Pocket Light

multicomp PRO

**RoHS
Compliant**

Description

This multipurpose LED light is compact and portable, ideal for travel, outdoor and hands-free use. Fitted with carabiner, magnet, screw mounting and fold-out stand this versatile light can be set up anywhere with ease. Perfect for outdoor activities, as well as repair and hobby work in difficult to reach spaces and as an emergency lighting source.

Features

Powerful Light

Able to produce up to 500 lumens, this compact COB LED light provides impressive power for its size.

Four Lighting Modes

Features four lighting modes which can be easily cycled via the power button; low (30%), medium (60%), high (100%) and strobe setting.

Portable Design

Measuring just 65mm × 50mm × 20mm and only 45g the lightweight design is ideal for carrying in a pocket or hanging off a bag using the built-in carabiner.

USB Rechargeable

Easily rechargeable with included micro USB cable and built-in 500mAh battery.

Applications

Outdoor activities such as hiking, camping and fishing. Repair and hobby work, lighting up small spaces and hard-to-reach areas.

Emergency situations and as a back-up.
