Mission Statement

1. To glorify GOD and expand his Kingdom.
2. To help people develop.
3. To pursue excellence.
4. To grow profitably.

Our journey is fully satisfying our customer's requirements through a process of continuous improvement. It's a long term commitment aimed at continuously improving the way we work, providing a safe work environment, managing our business process, and supplier selection. It is our goal to posture our company for market expansion, thereby providing improved job security and quality of life for all of our employees and customers.

Commitment

GRIP is committed to offering quality products at a competitive price. We are constantly working with our suppliers to ensure that you are getting the quality that you deserve. Our goal is not to sell you cheap merchandise and make an easy profit, but to provide you with quality products for your customers. We believe that our relationships should be mutually beneficial, and we strive for excellence so that our clients are able to retain their customers and provide them with a great product at the right price. If you are interested in having your items private labeled, we have an exceptional in-house graphics department that can assist you.

GRIP is always trying to improve and better serve our customers. We have created a website where you can browse our inventory online by clicking on the PRODUCTS tabs, learn more about who GRIP is on the About tab, or view some of our professional product VIDEOS of our most popular items.

Solving Inventory Problems

What does partnering with Grip mean for your business?

1. Flexibility to order inventory as you need it. Less over buying from overseas manufacturers and warehousing equals less carrying costs.
2. Eliminates the risk of importing new items. Allows you to focus on building your business without the risks of importing items that may not sell.
