General Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from our subcontract-manufacturing location in Poland to our Tangier, Morocco TE Connectivity manufacturing location.

Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. The transfer guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. Country of origin will be updated once transfer is complete.
