

05-Mar-2024

PCN #: P-24-025849

Subject : Hi Speed Brd Lvl Passiv

Description of Change : Manufacturing location change. Following Part Numbers will be validated to have dual source for plating process for TE Connectivity in Kauffman Road and another Outside Vendor or other TE facility.

Reason : Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a dual source validation for plating process. The validation is executed by following a strict procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products.

The new manufacturing location is under a certified quality management system according to standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
