Description and Purpose:

This update notification is to inform customers that the proposed first ship date has been revised. onsemi is announcing the qualification of a new lead frame with A194ESH base material for QFN devices in onsemi Seremban, Malaysia. This change aims to mitigate supply disruption due to the current supplier ceasing operation and no longer supporting Last Time Buy.

onsemi currently has no inventory supply of the current lead frame. Customers are encouraged to review this change to minimize any potential impact on their supply chain. Customers not wishing to receive material assembled with the new lead frame will need to work with their local sales contact to push out orders.
