

Notification of Discontinued Products

Dear Valued Customer,

We extend our sincere gratitude for your continued support of Panasonic. Your loyalty and dedication to Panasonic products have been vital to us.

After thorough consideration and evaluation, we regret to inform you that we will be discontinuing two part numbers of TPF & TCF series (see below affected products) of Conductive Polymer Tantalum Solid Capacitors (POSCAP).

We understand that this decision may cause inconvenience, and we apologize for any disruption it may bring to your operations. Our team is committed to minimizing any potential impact and assisting you throughout this transition.

Below are the details of the affected products:

Affected Product	6TPF220M5L, 6TCF220M5L
Reason of Discontinuation	Focusing on higher reliability product with higher demand
Schedule	Last time order: April 25 th , 2025 Last shipping date: July 31 st , 2025
Suggested Alternatives	Please refer to the attached file(s)
Request for Action	Order forecast collection date: December 27 th , 2024

We encourage you to reach out to us with any questions or concerns you may have regarding this announcement. Your satisfaction remains our top priority, and we are here to support you in finding suitable alternatives or addressing any challenges you may encounter.

Thank you for your understanding and continued partnership as we navigate this change together.

Best regards,

Shunji Norikane
