**Description of Change:**  
 As a datasheet information amendment, Würth Elektronik eiSos will update the cURus number.  
 This is a datasheet correction only. There will be no change in form, fit, function, quality or reliability of the product.

**Details of Change:**  
 Correct the cURus E-file number in the datasheet.

| Before Change | After Change |
|---------------|--------------|
| E331896       | E472316      |

Additionally, Würth Elektronik eiSos added the following two additional information:

1. Added the following sentence to the soldering spec.:  
"Designed to be fixed tight by plastic noses. For automatic assembly process please check and adjust for your needs."
2. Added the diameter of plastic nose in the dimensions section.

**Reliability / Qualification of Change:**

There will be no change of the product, therefore no additional reliability or qualification testing was performed.
