Description of Change : The Industrial and Commercial Transportation business unit of TE Connectivity is introducing an adjustment on customer drawings for the part number(s) listed below. These PN's are TE proprietary designs, therefore considered catalog/general market product and customer restricted product. This change has no influence on Form, Fit, Function, it is only document change

Reason for Change: Dear Customer, we hereby inform you of this change.

This change is necessary because of data integration of Kissling products into TE system.
