TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Passivation process will be moved to another facility

Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from TE Kauffman Rd - Landisville, PA to an "Outside Vendor".

Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. The transfer is executed by following a strict transfer procedure, which aims to reduce and/or negate influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according to the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
