Please download the latest datasheet of 935155793522-xxN from the official website of Murata

http://www.murata.com/en/products/productdetail?partno=935155793522-xxl

935155793522-xxN

There can be several part numbers depending on packing configurations and electrode surface materials. Please see the following part number for standard product of this item.

935155793522-T3N

Applications

| Unsuitable | Please be sure to read and comply with | |
|-----------------------|---|--|
| Applications | these "Precautions for use." | |
| Specific Applications | Consumer equipment, Industrial Equipment, Medical equipment [GHTF A/B], Medical equipment [GHTF C], Mobile Electronics, Mobile Communication, Consumer Electronics - Differential Transmission, HDD, Double feed detection Please refer to Our Website and specifications, etc. for information about the performance, functions, quality, management, and safety required for the above applications, and use Products after confirming the performance and reliability of the actual Product. | |
| | Optical Module,Broadband | |
| Recommended | communication,Mobile Electronics, | |
| Applications | Smartphone / Cellular phone,RFID,Note | |
| | PC,Wearable Appliance,Server | |

Appearance & Shape

1 of 3

Attentior

1. This datasheet is downloaded from the website of Murata Manufacturing Co., Ltd. Therefore, it's specifications are subject to change or our products in it may be discontinued without advance notice. Please check with our sales representatives or product engineers before ordering.

2. This datasheet has only typical specifications because there is no space for detailed specifications.

Therefore, please review our product specifications or consult the approval sheet for product specifications before ordering.

Note: If you have not downloaded this document from our official website, please note that the information provided may not be the most current.

Please download the latest datasheet of 935155793522-xxN from the official website of Murata

935155793522-xxN

Features

- I Ultra broadband performance up to 20 GHz
- I Resonance free allowing ultra low group delay variation
- I Ultra low insertion loss thanks to an excellent impedance matching in transmission mode
- I Low ESL and low ESR in bypass grounding mode
- I High stability of capacitance value over temperature, voltage and aging
- I High reliability
- I Compatible with lead free reflow soldering

(please refer to our Assembly Application Note for more details)

935155793522-xxN

Specifications

| Series | ULSC |
|--|----------------|
| Applications | Broadband |
| Features | High Frequency |
| Mounting Method | Solder Mounted |
| Operating Temperature Range | -55°C to 150°C |
| Size Code (in inch) | 0201 |
| L x W (size) | 0.80 x 0.60mm |
| Frequency | 20GHz |
| Breakdown Voltage (For the rated voltage, please see the FAQ.) | 30Vdc |
| Capacitance | 22nF |
| Thickness | 400µm |
