Current Date: 10-Sep-2024

TE Connectivity

Product Change Notification: PCN-24-218539

PCN Date: 03-SEP-24

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)

X, Y, Z series filters -- Please review other attachment section for alternate part number.

General Description of Changes

As part strategic alignment and portfolio optimization, TE has decided to supersede the TCPN's included in the list below. Last time buy and last time shipments will be supported until the provided dates below. Please refer to the provided superseded PNs highlighted (if listed) with the intention to support the continuity of our customer's design needs. Please review any replacement parts as they may not be form/fit/function equivalents. Alternative part numbers are from Schaffner product families, these alternates can be purchased directly, using substitute alias part numbers in attachment, from Schaffner/ all their distribution partners until integration is complete in TE system by approximately Q2-2025. Please review the other attachment section in this PCN. In case of doubts or questions please do not hesitate to reach out to your TE Connectivity representative.

Other attachments:

[Replacement for X, Y, Z series](#)

Reason for Changes:

Dear Customer, You are receiving this notice because TE connectivity has record of you purchasing a part or multiple parts on the list below. Within our continued efforts to manage/ optimize our product portfolio throughout the life cycle, we have made the decision to supersede the parts stated thereafter. Please review other attachment section for alternate part number.
