TE Connectivity

Product Change Notification: P-24-026823

PCN Date: 04-SEP-24

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

TE Corcom MV Style

Description of Changes

Please ignore the distributed PCN # P-24-026792, as it had error in tentative production date. Please find the corrected information herein. As part of strategic initiative, we are expanding our supply chain of the below listed Corcom filter part numbers with ADDITIONAL manufacturing location in Thailand. The production from the new plant starts tentatively in Nov-Dec. 2024

Reason for Changes:

With the acquisition of Schaffner in Dec 2023, TE Connectivity has decided to strengthen the reliability and flexibility of the supply chain - this initiative will help us to serve our customer better with attractive lead times and seamless delivery.
