

Description

Rimless Safety Glasses with Black Temple, Clear Lens, Foam Padding and Anti-Scratch / Anti-Fog Coating

These Multicomp Pro safety glasses have a lightweight, rimless design that provides all day user comfort with thin, flexible temples that provide a secure fit without uncomfortable pressure points. They have a molded nose bridge design to fit most users. The safety glasses come with a foam padding design which forms a seal to keep out dust and airborne particles.

Applications

- Dusty Work Areas
- General Manufacturing
- Construction Applications
- Indoor Work
