

Description

Polyurethane Coated Seamless Knit Gloves, ANSI Cut Level A5

These seamless knit polyurethane coated gloves from multicomp PRO feel soft and flexible to maintain dexterity and grip well without feeling sticky or tacky. The polyurethane coatings take on the surface properties of the glove liner providing a tactile grip in dry and slightly oily conditions, ideal for applications that require dexterity for precise handling. These gloves are touchscreen compatible to allow the user to operate a touchscreen phone or device without removing and the reinforced thumb crotch provides longer wear life and increased protection.

Applications

- Thin Coating, Good Grip for High Dexterity Handling
- Maintenance and Repair Operations
- Handling, Assembly and Sorting of Small to Medium Parts and Materials
- Shipping, Receiving and Packaging

Specification
