CHANGE NOTIFICATION

D6F MEMS Air Flow Sensors - DISCONTINUATION

In an effort to streamline our product offering and focus on popular models of Omron’s line of MEMS Flow Sensors, OMRON will discontinue some of our D6F models at the end of March 2026, with no suggested replacements. Please carefully read through this notification. The following details will fully explain the discontinuation; should you have any additional questions, however, please communicate with your local OMRON Sales Professional.

LAST ORDER DATE (Last Time Buy Date):

End of March 2026 (March 31, 2026)

DISCONTINUED MODELS

MEMS Air Flow Sensor

- Model D6F-20A5-000
Model D6F-30A7-000
Model D6F-PLG1

SUGGESTED REPLACEMENT

MEMS Air Flow Sensor

No Suggested Replacement

Discontinued Models:

Discontinued Model	Suggested Replacement
D6F-20A5-000	No suggested replacement
D6F-30A7-000	No suggested replacement
D6F-PLG1	No suggested replacement

NOTE 1: This notification applies only to the part numbers listed within this notification.
NOTE 2: Please be advised, the D6F series of MEMS Flow Sensors is not being discontinued.

** Sales teams should communicate this discontinuation with their OEM's and CEM's.
For further technical support and any questions, please communicate with Product Marketing*

Specifications and schedules in this product news are as of the issue date and are subject to change without notice.

Only main changes in specifications are described in this document. Please be sure to read the relevant catalogs, datasheets, product specifications, instructions, and manuals for precautions and necessary information when using products.
