End of product life notification

March 31st, 2025

This notification applies to the following product -

KWD Series

Dear customer / valued partner, the KWD series of dual output pcb mount power modules have been in production for approximately 20 years.

TDK-Lambda has received a number of EOL notifications for materials and parts used to build these products. Consequently, we are offering a last time buy for this product.

This includes the following part numbers: KWD5-1212, KWD5-1515, KWD10-1212, KWD10-1212, KWD15-1212 and KWD15-1212.

We recognize that as a past or current customer of these products, you may require additional units for service spares. We are offering a last time buy and ship opportunity as detailed in the table below:

End of life announcement	March 31st, 2026
Date last orders can be received	September 30th, 2026
Last shipment date	December 1st 2026

Please understand that these orders would be non-cancellable and non-returnable and cannot be counted towards future stock rotations. The standard warranty period, service and conditions will apply for product sold during this last time buy notice.

Please contact our technical support for potential alternate products at 1-800-526-2324 or email powersolutions@tdk.com.
