UX60SC Series Packaging Specification Change

We are writing today to inform you that we will make some changes as shown in the subject for the reason described below.
We will announce them in advance.

1	Products	UX series *Please refer to the attachment 1 for detailed product names.
2	Substitute proposal product	UX series *Please refer to the attachment 1 for detailed product names.
3	Classification of change	Packaging specification change.
4	Changes	We will change the embossing depth and the reel material (from paper to plastic). For details, please refer to Attachment 2.
5	Reason for change	<p>■Embossing Depth Change To prevent the adhesive tape from sticking to the cover tape and causing the product to pop out, we will change the embossing height. This is to improve the product's retention and enhance the implementation process for our customers.</p> <p>■Reel material change By changing the material from paper to plastic, we aim to eliminate fiber fragments from the paper, thereby ensuring a cleaner assembly process for our connectors and a cleaner implementation process for your connectors.</p>
6	Date of final reception of orders for the applicable product	June 30,2026
7	Date of the first reception of orders for the substitute proposal product	July 1,2025
8	Date of final shipment of the applicable product	December 25,2026
9	Date of your acknowledgement	By November 30,2025
10	Pricing of Substitute proposal products	<p>We have made efforts to maintain the current pricing, however, due to the following reasons, it has become difficult to sustain. Therefore, we regret to inform you that there will be a price increase.</p> <ul style="list-style-type: none">· Increase in metal material costs· Increase in plating material costs· Increase in assembly costs <p>For more information, please contact your sales representative.</p>

Due to unavoidable circumstances such as future material supply conditions, orders for the applicable products may be terminated without prior notice prior to the final order acceptance date.
We apologize for the inconvenience, but we kindly ask that you please inform our sales representative as soon as possible of your approval.
Please note that if we do not receive a response by the approval date, we will assume that your approval has been received, and if you receive an order for the applicable product after the final order acceptance date, we will not be able to accept your order.

If you should have any questions, please feel free to contact a Hirose business representative.
Your understanding and cooperation are highly appreciated.
