

Product Change Notice

PCN#: EE-PCN25035

April 29, 2025

CLASSIFICATION OF CHANGE:

1. Manufacturing location change
2. Agency certification change

DESCRIPTION OF CHANGE:

1. Eaton has extended its manufacturing location in the Philippines to produce select fuse and fuse holder product families. After shipment begins, this location will be the designated production source for North America.
2. The applicable Agency Certifications for the fuse families manufactured in the Philippines have been consolidated as appropriate for North America and will differ from the previous source plant in China. These changes are effective per the timing in the schedule section below and will be reflected on the product family datasheets in alignment with the schedule.
