

LEAK DETECTOR FLUID

Product Code: DDF

PRODUCT DESCRIPTION

Electrolube **DDF** has been developed for the rapid and reliable detection of air and gas leaks from all types of pipework and vessels. Non-flammable and 100% Ozone Friendly, DDF is safe for the user and for the environment. DDF is water based and contains anti-corrosion agents to ensure that metals and painted surfaces are not attacked.

APPLICATION

Shake the aerosol can vigorously before use. Spray sparingly onto the area to be inspected. If a leak is present, bubbles will form. Water based products. Protect from frost, and do not store at temperatures below 5°C.

TYPICAL PROPERTIES:

- * Allows the immediate detection of leaks
 - * Safe to use
 - * Convenient aerosol packaging allows use in the field
- Will not effect substrates
