Product Change Notice (PCN)

June 30th, 2025

LFPCN# 41555

Product Change Notification for MOV CH Product Series – End Termination Silver Paste Change

To whom it may concern,

Littelfuse would like to notify you of a change related to the end termination silver paste of MOV CH product series. Due to obsolescence of the current end termination silver paste by our supplier, Littelfuse qualified alternative end termination silver paste and upgraded the RoHS exemption 7c-I to Pb-free. This change has no impact to product's original electrical parameters, dimensions, quality, reliability and part numbers.

End Termination Silver Paste	Current End Termination Silver Paste	New End Termination Silver Paste
Main Materials	Ag/Pt	Ag/Pt
Lead (Pb)	RoHS exemption 7c-I	Pb-free

This change will be implemented starting from **December 29th, 2025**. During the change transition period, customers are expected to receive current and new products until current product inventory in Littelfuse warehouses and distribution channels are depleted.

Please see attached the affected part number list and respond to us by **September 29th, 2025** to acknowledge this product change notification. If we do not hear from you, we will expect this product change notification has been accepted and no further action is required.

Best Regards,
Amy Chu
Global Product Manager
Littelfuse, Inc.
