TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Kilovac High Voltage Contactors

Description of Changes

Dear Customer, as part of the continuous improvement, TE Connectivity (TE) is validating a second source. This is an additional electronic facility for added PCBA capacities only. This change will not affect form, fit, or function in any way. The additional location follows a strict procedure, which fully maintains quality, ability to supply, and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according to industry standard requirements. An internal evaluation and the first article based on our specifications will be executed before any parts are delivered.

Reason for Changes:

Supply Chain improvement. TE Connectivity (TE), in alignment with the operative advantage, is working to improve the quality and ability to supply the concerned products.
