TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:  
Series 369 Connectors: Adding production in Tecate

Description of Changes  
Introduction of additional manufacturing location. The following part numbers will be produced at TE Connectivity Hastings, UK (existing location) or TE Connectivity Tecate, Mexico (new location).

Reason for Changes:  
Dear Customer, We are writing to inform you of the addition of manufacturing capacity for Series 369 connectors at TE Connectivity Tecate, MX. We will follow a strict procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The additional manufacturing location is under a certified quality management system according to the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered in order to guarantee performance.
