

TE Connectivity

Product Change Notification: P-25-028488

Customer: Premier Farnell UK Ltd (PFUK) (101113)

Location: Leeds

PCN Date: 16-JUL-25

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
This PCN supersedes PCN P-25-028423 and PCN P-24-026853 is still valid for PNs in this PCN.

Description of Changes
Add housing resin source. No change to product which impact product function and performance.

Reason for Changes:
Product improvement.Business contingency plan. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance. While this change currently applies only to the TE Thailand Manufacturing Plant, please note that the same material source may also be used at other site in the future. Please contact your local TE Account Manager for the concerned matter and sample request. For technical inquiries, please contact our engineering staff: Chow, Jason K. A. <kachow@te.com>
