

## **Mustek A3EP LARGE format Scanner**

Scans Images in one operation to 11.7"x17"  
36Bit 300 X 600DPI

### **Product Description**

The ScanMagic A3 EP is a revolutionary new 36-bit color scanning system. Capable of scanning up to 11.7" x 17", the ultra-slim A3 EP is perfectly suited to scan complete book spreads, two letter-sized pages (simultaneously), large-format magazines, legal or tabloid-sized documents, photographs and more, all in stunning color. Bundled with a complete suite of photo-retouching tools, OCR and other software, the A3 EP is a solid performer.
