Wiha ErgoStar.

Wiha ErgoStar.

- Simultaneous operation and quick, simple removal of all L-keys
- Solid stopping point for fixing L-keys in the holder
- Innovative clamp mechanism ensures L-keys are held tightly in both closed and open state
- Compact format saves room on workbenches and in toolboxes

Wiha L-keys 369S.

- New ball end design enables the user to work at angles up to 30°
- Improved fastening forces with new ball end geometry
- Lasered L-key sizes mean immediate recognition of the right L-key

Also available in display:

369 HVH1S Display ball end hex L-key sets.
Carton display with 10 pieces.

Order-No.	Content	
34764 2	10 x 369 H9S	1

369 H9S Ball end hex L-key set in holder.
Brilliant chrome-plated, 9 pcs.

Blade: High quality chrome-vanadium steel, through hardened, brilliant chrome-plated.
Standards: Based on ISO 2936L.
Application: Especially for screws that are difficult to access.
Extra: Mechanical operation of the space-saving holder makes simplest removal of each individual L-key possible without movement of the others. The ball end enables the user to work at angles up to 30°.
