

The HP 92291A Print Cartridge is ideal for large-volume business users. When it comes to performance, HP genuine print cartridges like the HP 92291A are the best for crisp, sharp results every time. Used with the HP LaserJet IISi/IIISi MX and the 4Si/4Si MX with a 17 page-per-minute output, your print cartridge has to be of the highest quality and reliability.
