

KNIPEX Crimp System Pliers

For all common Photovoltaic connectors

Huber + Suhner
Multi-Contact
Hirschmann
Tyco

KNIPEX Quality – Made in Germany

Crimp System Pliers

for crimping solar connectors

- in a plastic case with service tools
- for solder-free electrical connections
- optimum transmission of force due to lever action for fatigue-reduced operation
- these tools have been set precisely (calibrated) in the factory
- head burnished, ergonomically shaped plastic handles
- length 200 mm, weight 970 g

97 43 200
EAN-Code: 4003773030812

Crimp dies and locators to be ordered separately

Universal Insulation Stripper

particularly suitable for solar cables

- with new stripping mechanism
- particularly matched to solar cables; thus no damage of the conductor
- easy stripping of the multilayered insulations of solar cables
- 4 replaceable blades
- precise trimming of the insulation
- smooth mechanism
- head burnished, dual component plastic handles
- length 195 mm
