

## TRANSFORMERS

## **CTFP Series - PCB Mounting Transformers**

- **>** Dual Primary 115V windings
- > Dual secondary windings
- **>** Power: 3 to 12VA, 50/60Hz
- > Temperature class: B (130°C)
- **>** Dielectric strength: 3750V<sub>rms</sub>
- > ULV0 rated material
- Manufactured and tested in accordance with EN60950 and EN61558
