

## Rubber Roller Restorer

Product Code: RRR

### PRODUCT DESCRIPTION

**Rubber Roller Restorer** has been specially developed to restore texture to rubber grip rollers by removing hardened deposits. Designed for use on printers, fax machines and photocopiers.

### PRODUCT USE

Can be applied by either spraying the product directly onto the rubber rollers and wiping off with a cloth, or by spraying the restorer onto a cloth and wiping the roller with the dampened cloth. May affect sensitive plastics, therefore should be kept away from plastics and wiped off if accidentally spilt.

### FEATURES

- \* Restores texture to rubber rollers in office equipment
- \* Prolongs the lifetime of rubber rollers, preventing costly replacement
- \* Supplied in pump spray
- \* Leaves no residue
- \* Dissolves ink, oil, grease and will remove general office dirt
