Multimedia Suite **PLATINUM HD**

The Ultimate Solution for Creative Enthusiasts

Nero Multimedia Suite 10 Platinum HD gives creative enthusiasts the professional edge in HD video editing, burning, backup, Blu-ray Disc playback and more, all bundled into one comprehensive suite.

The Nero 10 **PLATINUM HD** ADVANTAGE

The comprehensive bundle integrates the features of Blu-ray Disc playback, media file transfer and conversion between mobile devices, plus hundreds of unique HD effects to add the ultimate finish for your video projects.

- **Blu-ray Disc playback** for stunning picture and sound quality
- **Nero Move it Plug-in** - move your photos, videos and music between mobile devices (iPod®, iPhone®, Android™ Phones and more)
- **Nero Picture-in-Picture EffectPack 1** - Easily create multiple overlays with more than 65 professional Picture in Picture (PiP) layouts. Just select an effect layout and preview it, then drag & drop the clips directly to the layout timeline, and you're done. Includes 30 bonus background images for extra fun!
- **Nero Transition EffectPack 1** - 50 unique professional Transition Effects to enrich your video projects with noticeable creative results
- **Nero Movie ThemePack 3** - Features 10 additional high quality template themes, plus 10 related menu templates designed for Seasonal, Romantic, Kids & Family and Home Cinema categories.
- **Nero Movie ThemePack 4** - Features 15 Football/Soccer themes, plus 15 related menu templates of your favorite national teams

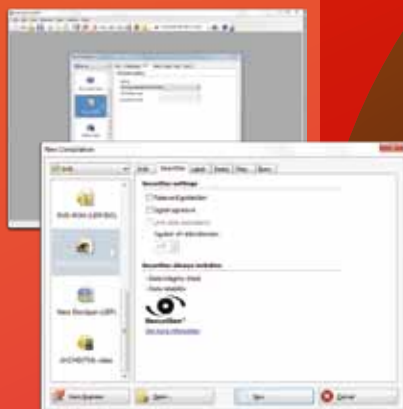

Video Editing

Nero Vision Xtra is the comprehensive software for taking your creativity from start to finish. Control your multimedia the way you want with the all-in-one media manager for quickly sorting, searching and organizing videos, photos and music, and sharing media files. Create high quality movies and slideshows and then take your HD home video projects a step further with advanced video editing tools such as multi-track editing, Picture-in-Picture effects with full keyframe control, SmartEncoding, and more. Author your videos to Blu-ray Disc for convenient playback with the integrated Blu-ray Disc player.

Burning

For burning, copying and ripping, accept nothing less than industry's best. Nero Burning ROM goes beyond the basics with customized burning options and advanced security for your CDs, DVDs and Blu-ray Discs.

Backup

For reliable and easy-to-use backup and recovery software, Nero BackItUp & Burn is the answer. Easily back up photos, music, videos, and documents with state-of-the-art technology that can secure files and protect entire systems from the effects of hard drive crashes, system failures or virus attacks, and effectively recover damaged or deleted data.
