Product Data Sheet – CBBR0003 Six Core Alarm Cable

Product Details

CPC Product Code	-	CBBR0003
Description	-	Six Core Security Cable
Conforms to	-	BS4737
Applications	-	A general purpose signal cable ideal for Alarm, Security and other Low Voltage, Low current Applications

Construction

Number of Cores	-	Six
Core Construction	-	7/0.20mm Tinned Copper
Colour of Cores	-	Black, White, Green, Blue, Red, Yellow
Insulation	-	PVC
Over-sheath	-	White PVC
PVC Wall Thickness	-	0.50mm
Nominal Outer Diameter	-	4.10mm
Current per Core	-	1 Amp
Maximum Voltage	-	50V rms
CSA	-	0.22mm

Supply

Length per reel	-	100 Meters
Weight	-	2.76Kg
Tariff Code	-	854459.80.300
Packaging	-	100 Meters wound on a plain unbranded cardboard Reel with a product label applied.
