Variable Speed MultiPro Rotary Tool

Our innovative Variable-Speed MultiPro Rotary Tool features a top speed of 35,000 rpm. It offers control and precision thanks to a click-and-set on/off switch. Add to that a comfort grip housing for easy handling and you've got a versatile tool you won't want to put down.

- The original Dremel rotary tool
- Ideal for a wide range of do-it-yourself and hobby projects
