

Hewlett Packard (C9369EE) Colour Ink Cartridge: Product Features

This advanced photo cartridge, part of HP's 6 and 8 ink printing systems works together with other HP cartridges to provide crisp, true-to-life colour for vibrant, professional-quality photos that resist fading for generations. Produce bright, rich photos with less grain for truly impressive results. Wide colour gamut for smooth colour transitions and warm, natural skin tones. Contains light cyan, light magenta and black inks part of HP's 6 and 8 ink printing systems. Print photos with exceptional fade resistance and make sure those moments stay as vivid as the day you captured them. Proprietary inks specially formulated for this cartridge to provide superior fade resistance on HP Premium Plus photo papers. Carefree printing - alerts let you know when ink levels are running low. Printer adjusts to individual cartridges to ensure consistently high quality printing. System checks cartridge installation and confirms that it's a genuine HP product.
