Statement of Conformity

Super Technology Laboratory Corporation

Test Laboratory/According to ISO/GUIDE 17025
This form is only valid in connection with test report number:

The certifies that following designated product : L01NK92392

Product : BATTERY CHARGE
Model Number : AC0212A/AC0224A
Company Name : LANPOWER INC.,

This product is herewith confirmed to comply with the requirements set out in the Council Directive on the Approximation of the laws of the Member States relating to Electromagnetic Compatibility Directive (73/23/EEC and Amendment Directive 93/68/EEC). For the evaluation regarding Low Voltage Directive, the following standards were applied:

Same as Applicant

This Procedure authorizes the above Manufacturer to use the marking specified by Underwriters Laboratories Inc. only on products covered by this Procedure, in accordance with the applicable Follow-Up Service Agreement.

The Prescribed Mark or Marking shall be used only at the above manufacturing location on such products which comply with this Procedure and any other applicable requirements.

The Procedure contains information for the use of the above named Manufacturer and the representatives of Underwriters Laboratories Inc. and is not to be used for any other purpose. It is lent to the Manufacturer with the understanding that it is not to be copied, either wholly or in part, and that it will be returned to Underwriters Laboratories Inc. upon request.

This Procedure, and any subsequent revisions, is the property of Underwriters Laboratories Inc., and is not transferable.

The device bearing the trade name and model specified below has been shown to comply with the applicable technical standards as indicated in the measurement report and was tested in accordance with the measurement procedures specified in EUROPEAN COUNCIL DIRECTIVE 89/336/EEC. The device has passed the test performed according to:

**EN55022 / CISPR 22 / AS/NZS 3548 Class B, EN55024 / AS/NZA 4252.1; EN61000-3-2, and EN61000-3-3**

**Product**
BATTERY CHARGER

**Model Number**
AC0212A / AC0224A

**Company Name**
Lanpower Inc.

**Address**
3F, NO. 4, ALLEY 16, LANE235, BAU-CHIAU RD.,
HSIN-TIEN, TAIPEI COUNTY, TAIWAN, R.O.C.

The measurement shown in this test report were made in accordance with the procedures given in ANSI C63.4-1992.
The testing was completed on Mar. 27, 2001 at SPORON INTERNATIONAL INC. Lab. in Lin Kou
Sporton International Inc. Lab. in Lin Kou is recognized by National Voluntary Laboratory Accreditation Program under NVLAP Lab Code:200079-0

Certification or Test Report must not be used by the applicant to apply for C-Tick without the written authorization of test lab.
