Portable Label Maker

In the office, on-site or out of town, carry this versatile new portable system in your briefcase or toolbox wherever you go and whatever your business. It fits in the palm of your hand to produce custom labelling in a multitude of indoor and outdoor situations.

HandiMark is lightweight and convenient. It packs a lot of power into one compact system and runs on a rechargeable battery or AC power supply.

Type size 2mm to 42mm

**12 resident operating languages**
