

5C Series Chassis Mounted - T05

170 064 / 065

A range of finned heatsinks with hollow clamp screw to trap the transistor flange against dissipation seating.

5C $\theta = 30^{\circ}\text{C/W}$

Body finish: Black anodised.

5C/HA $\theta = 32^{\circ}\text{C/W}$

Body finish: Hard anodised.

Type	Clamp	Screw	Remarks
5C	Plastic		Nato code: 5960.99.946.7619
5C - 20	Metal		P.O.1A (CD 1994) Nato code: 5960.99.104.4666 British Telecom Ref: 1MAA00237AAP
5C - 23	Metal		P.O. One flat on periphery
5C - 24	Plastic		4BA mounting. Nato code: 5961.99.520.1979
5C - 32	Metal		P.O. Two flats on periphery
5C - 33	Metal		For D01 device.
5C/HA	Plastic		Nato Code: 5960.99.115.6077
