

# PH CONNECTOR

## 2.0mm Pitch/Disconnectable Crimp Style Connectors

### Part Number:

- ASPHSPH24R102

### Description:

- JST Series – PH Series
- Pitch – 2mm
- Cable length (inside dimension) – 102mm

### Material Specification:

- (1) Terminal: SPH-002T-P0.5S
- (2) Cable Type: UL1007
- (2) Cable Size: 24AWG
- (2) Cable Colour: Red

### Accessories:

- Extraction Tool: EJ-PH

### Quality

- We trust and believe in our product. Each step of our development and manufacturing process is focused on delivering a fault-free product. JST does not compromise on quality.

### Applicable Housings:

| No. of Circuits | Part Number |
|-----------------|-------------|
| 2               | PHR-2       |
| 3               | PHR-3       |
| 4               | PHR-4       |
| 5               | PHR-5       |
| 6               | PHR-6       |
| 7               | PHR-7       |
| 8               | PHR-8       |
| 9               | PHR-9       |
| 10              | PHR-10      |
| 11              | PHR-11      |
| 12              | PHR-12      |
| 13              | PHR-13      |
| 14              | PHR-14      |
| 15              | PHR-15      |
| 16              | PHR-16      |

### Additional Information:

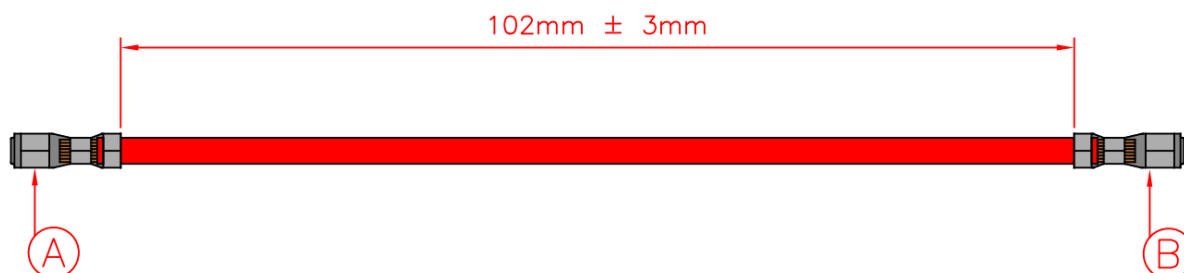

Alternative Colours and length cables are available upon request, please contact JST for further details by e-mailing [jukma@jst.co.uk](mailto:jukma@jst.co.uk)
