## USB Media Reader/Writer for SmartMedia

**Belkin Part Number: F5U141**

Now you can transfer files easily between your PC or Mac and your MP3 player, cell phone, handheld, and digital camera. The Belkin USB Reader/Writer for SmartMedia lets you drag and drop files, images, and music for editing and storage on your computer. Transfers speeds of up to 12MBps let you move your files 40 times faster than through a serial port and without draining the batteries of your device. This reader includes a dedicated slot that accommodates SmartMedia Cards.

### The Belkin Advantage:

- Uses your system's power, so it requires no AC adapters or batteries
- Saves the power resources of your camera, MP3 player, and handheld
- Transfers images and other files at speeds up to 12MBps – up to 40 times faster than a serial port
- Installs with Plug-and-Play, hot swap convenience
- Stands upright on its side with compact, multipurpose design
- Complies with USB spec 1.1
- Lifetime Warranty and technical support
