**CM 02 E 14S-2 P** Order-No.:  
932 449-100

The technical drawing shows two views of the CM 02 E 14S-2 P connector. The top view is a front view of a square flange with a circular connector in the center. It has four mounting holes at the corners. Dimensions include an outer diameter of 30 mm (q 30) and an inner diameter of 23 mm (q 23). The thickness of the flange is 3.4 mm. The bottom view is a side view showing the connector's profile. It features a 7/8-20 UNEF-2A thread. The total height of the connector is 24 mm, with a mounting flange height of 14 mm. The distance from the bottom of the flange to the center of the connector is 10 mm. The diameter of the connector body is 19.4 mm (ø 19,4). The diameter of the individual pins is 1.5 mm (ø 1,5). The distance from the bottom of the flange to the top of the connector body is 4.5 mm. The distance from the bottom of the flange to the center of the pins is 4.5 mm.
