Adobe Photoshop Elements 8

Organize it all from one convenient place

Bring all your photos and video clips together in the powerful, easy-to-use Organizer. Use automatic analysis and People Recognition to tag your media so you can quickly find what you need. Then dive into a range of creative activities and start enjoying your memories.

Flexible search options

Search by date or keyword, and easily add ratings and keywords so you can find what you need fast.

Full-screen mode

Quickly show off your photos and videos full screen, right from the Organizer.

Endless creative possibilities

Once you've organized your photos and videos, choose your favorites and jump right into editing, creating, or sharing.

Anywhere access

Show off your photos and videos virtually anywhere you are from Photoshop.com. With automatic syncing between your desktop and online Organizers, there's no manual uploading required.†

Automatic online backup

Help protect your memories with 2GB of storage† (additional storage available).

People Recognition

Quickly find photos of specific friends and family members thanks to automatic People Recognition.

Smart analysis

The Auto-Analyzer automatically analyzes and tags your media so you can easily find your most interesting, highest quality photos and footage.

Powerful Organizer

Visually organize, find, and view all your photos and video clips.

† See last page for details.

Make your photos look their best

You want powerful photo editing, but you also want it to be easy. Now you can quickly bring out the best in all your photos—and cherish your favorite memories.

ENHANCED

Instantly unclutter or repair photos

Now you can use the Spot Healing Brush to make unwanted elements vanish as if they'd never existed. Also, fix old or torn photos so you can make new prints.

Go from flawed to phenomenal

Get whiter teeth and bluer skies with a brush stroke.

You can also easily...

- Remove red eye
- Improve skin tones
- Correct lens distortion
- Fix color and contrast
- Sharpen blurry photos
- Fix batches of photos at once
- Edit camera raw files
- Add hundreds of cool effects
- Recompose photos to any size
- Get dramatic black-and-whites and classic sepia tones
- Quickly select specific areas and apply effects or enhancements

NEW Get amazing new effects

Let new Guided Edit options walk you through the steps of creating perfect portraits as well as pop art, reflection, and portrait effects.

Preview adjustments easily

See a range of adjustments and quickly choose your favorite.

Easily create the perfect photo

Combine the best from a series of photos to get a single, perfect result with Photomerge capabilities.

ENHANCED Enhance and expand your panoramic scenes by magically filling in the jagged edges.

Create perfectly lit shots that show every detail.

Style photo

Style photo

NEW Want to imitate a favorite photography style, like a dramatic high contrast or a beautiful color tone? Photomerge Style Match analyzes the stylistic qualities of any photo you choose and then automatically applies those qualities to another photo.

Create perfect photos that combine the best of everyone in the group.

Make unique creations, and share photos quickly

Your life makes a great story. Tell it your way by showing off your photos in customized cards, scrapbook pages, calendars, and photobooks or by sharing via Facebook, email, your personal web page, and on CD or DVD.

NEW Create the way you want with Basic and Advanced design modes.

NEW Access every photo-editing option from within your creations layouts so you can customize as you wish.

NEW **Print at home with ease**

Print your calendars, greeting cards, and photobooks directly to your home printer. (Online ordering also available!)

ENHANCED **Share in fun, exciting ways on the web**

Quickly showcase photos and video clips in one-of-a-kind Online Albums with your choice of animated templates. Adobe Flash® technology lets viewers have fun interacting with your photos. Share via public or private galleries—friends and family won't have to register to look.†

Create beautiful gifts and mementos

Easily upload photos and order greeting cards, prints, U.S. postage, hardbound books, and more, directly from within Photoshop Elements. (Services vary worldwide.)†

NEW **Share far and wide**

Conveniently share photos and videos on Facebook.†

Get creative inspiration

Bring your ideas to life with relevant tutorials that appear just when you need them.†

† See last page for details.
