

## Sturdy mobile handles your day-to-day needs

- Slim design features a 1.43" CSTN LCD screen
- New powerful 800mAh battery extends use
- Travel with enhanced security like the Mobile Tracker
- Mobile phone Call Manager keeps your day in order
- Speakerphones add comfort and usability

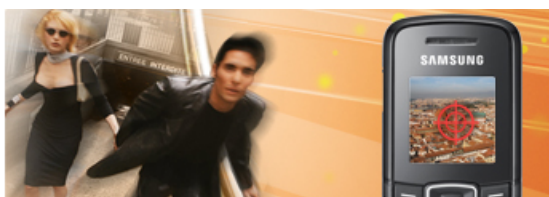

When it comes to a mobile phone that you can rely on day-in, day-out, the Samsung E1080i is just the answer. Featuring a stylish yet robust design, it can handle all of life's knocks. It is boosted with enhanced security, a personal Call Manager and a new longer lasting battery that will keep you connected for up to 9 hours (talk time). And with its slim and ergonomic profile, it will fit into your life and your hand effortlessly. It is the mobile phone for those looking for style, durability and performance.

### Design

- Easy to grip, the ergonomic 13.6mm is slim enough to fit anywhere, from the hand to pocket.
- 1.43" CSTN LCD offers comfortable viewing of menus and text messages.
- Sturdy and solid feel.
- Comfortable and easy-to-press buttons.

### Advanced security

- Mobile Tracker alerts the user when the mobile's SIM card is changed.
- SOS Message sends out emergency messages to pre-designated contacts with just a single click of a button.
- Fake call function lets the phone automatically start ringing.
- Power LED Flash provides a flash of light in dark surroundings.

### Enhanced Mobile Power

- Easy-to-use one-hand operation.
- 200-entry phonebook contains all your phone numbers for easy retrieval.
- SMS storage of up to 100 messages.
- 800mAh battery prolongs the battery life.

### Call Manager

- Alarm notifies the user when a call time limit (set by the user) has been reached, helping users curb lengthy calls.
- Call Manager keeps track of call costs and duration so you know exactly how much you are spending on your conversations.
- Power Saving Mode lets your mobile to be turned off when not in use.
