# Industrial Attached Lid Containers

- Heavy-duty containers for industrial applications.
- Stack and nest design for maximum space usage.
- Injection-molded HDPE construction resists impact, moisture, and most chemicals.
- Tie holes in both ends to provide additional security.
- Containers interwork for easy pallet loading.
- Model AR15141300 is ideal for liquid distribution applications – it holds four, one-gallon jugs or nine 750 ml bottles.

Closed and open style handles available on some models

Reinforced sides and corners for added protection against breakage

Interlocking fingers on lid provide secure closure and add strength for secure stacking

Textured ID areas on lids and sides for easy application and removal of labels and barcodes
