

Today We Introduce the All New Lithium 9 Volt Battery

20 years ago, we introduced the world's longest
lasting lithium 9 volt battery... Over 100 million were sold!

- Powers most ionization type smoke alarms for up to 10 years
- Lasts up to 5X longer than alkaline
- Same footprint as an alkaline
- Up to 10 Year shelf life
- UL Certified
- The trusted lithium 9V leader for over 20 years

For more information, contact your sales representative or Orders@ulbi.com

Today, so much can depend on your battery...

time and Ultralife are on your side!
