

Technical Data Sheet

TSB Trigger Spray Bottle

Product Description

Electrolube's Trigger Spray Bottle is a hard-wearing, re-usable polyethylene bottle suitable for spraying water based solutions and non-aggressive solvents. The bottle is ideal for application of many Electrolube products, including Reflow Oven Cleaner (ROC), Screen and Stencil Solvent (SSS), Deionised water (DEI) or any of the Safewash cleaning solutions.

The nozzle is adjustable to give the user the option of spray or jet stream, and the trigger is ergonomically designed for user comfort.

Features

- Flexibility to fill with own choice of product
- Re-useable
- Simple to use
- Adjustable nozzle

Packaging
600ml Bottle

Order Code
ETSB000

Shelf Life
72 months

Direction for use

The 600ml bottle can be filled with the user's chosen solution. Graduation marks on the bottle enable usage to be monitored and, of course, the bottle can be used for many applications as it is very simple to use.
